Chihiro is my name.

*Yubaba takes other people's names  
to control them, so you were always  
called Sen.*

*Hide your real name carefully.*

My real name was t<sup>a</sup> k<sup>e</sup> n, and I  
actually thought that I was Sen.

*You won't be able to go home if  
your name is taken. I can't seen  
to remember my name...*

You have also f<sup>o</sup> rg<sup>t</sup> ten  
your real name?

*But it's incredible that I  
do remember you from  
a long time ago.*

*Eat this, You haven't  
eaten yet, right?*

I don't want  
to eat...

*I applied magic to this and will make  
you feel better. Go ahead.*

*It must had been hard for you. Go  
ahead and help yourself.*

Thank you Haku, I will try my best.
